

### Admissions

It is our intention to make our pre-school genuinely accessible to children and families from all sections of the local community. In order to accomplish this we will;

Describe the pre-school and its practices in terms which are clear and understandable.

Welcome mothers, father, other relations, carers and people from all cultural, ethnic, religious and social groups, with and without disabilities.

Admit children from the day they are two up to the age of five, this is subject to availability of places and our waiting list is in date order.

Welcome children with special needs, the pre-school leader will be happy to discuss this further.

Make our 'Equality & Diversity Policy' widely known.

Consult with families about the opening times of the pre-school to avoid excluding anyone.

Be flexible in order to accommodate the needs of the individual children and their families.

Keep a vacant place, if this is financially viable, in order to accommodate emergency admissions.
