

## Introduction

Baildon village preschool is a small community preschool and is a member of the Shipley branch of the Pre-School Learning Alliance.

Baildon village preschool is registered to claim the Nursery Education Grant for some three year olds and all four year old children.

Our aims are;

Create an environment in our setting that encourages children to develop a positive image which includes their colour and ethnicity, language spoken at home, religious beliefs, cultural traditions and home background.

To work within a framework that ensures equality of opportunity for all children and their families.

Enhance the development and education of children under the statutory school age in a parent involving community based group.

To provide a safe, secure and stimulating environment for children.

To offer fun and friendship to children and adults.

Each of our activities is planned with the EYFS and we adapt the activities to suit all children at different stages of their development, but we are aware that play is an education in itself and our emphasis is on *learning through play*.
